LOCAL FOOD YOU CAN TRUST FRESH FROM OUR FARM TO YOUR FORK

Well, where did the last year go to? It's been a very busy one indeed for all of the Edwards family!

Not only have we all been flat out on the farm and our land share scheme, we've opened our own Hanley Farm Shop and just six months in we're already building a reputation for great food and great service.

All of the food that we sell and serve is from around the corner, not around the world. It's either grown or reared by us on our own farm or land share scheme, both just a stone's throw away, or sourced from other local growers and suppliers that we know and trust. It really is 'Farm to Fork'.

HEDGEROW SAFARIS

Our free Hedgerow Safaris are always popular with people of all ages.

If you would like to organise for a group of adults or school children please do get in touch with us by email: lyndon@hanleyfarmshop.co.uk or by telephone: 01291 626642

The opening of Hanley Farm Shop has brought with it the creation of 12 new jobs for local people. Our team includes our own on-site

Harriet, Maria and Lyndon Edwards

butcher, baker (no candlestick maker planned as yet) and nutritionist.

Our monthly Moosletter will enable us to give you more of an insight in to what goes on behind the scenes here at Hanley Farm Shop and on the farm itself, any yummy tasting

events coming up, new additions to our range and an overview of what's going on at the farm. We might even share some of our secret recipes!

We'd be delighted to send you your own copy of Hanley Moos by email as well as any occasional updates that we think might be of interest to you. Simply sign up for 'MORE MOOS' on our website.

Look forward to seeing you soon.

Kind Regards,

Lyndon & Maria

MEET OUR NUTRITIONIST

This is Sam Golding, our own Deli Manager and in-house Nutritionist. Sam offers free advice on any dietary requirements and allergies.

More in-depth consultations are available by appointment.
