NEWS FROM THE FARM STRAIGHT FROM THE HORSE'S MOUTH

LUXURY ACCOMODATION WITH SEA VIEWS

There really is lots cooking at Hanley Farm Shop and it's exactly the same up at the farm too.

Our milking herd already enjoy a breathtaking sea view but are looking forward to even more luxurious facilities later in the year. We've just put in for planning permission to build state of the art winter accommodation for our hard working girls!

All being well we will have completed the project before the winter.

OPEN FARM SUNDAY Sunday 8th June 10am -4pm

You are invited to join us at Severndale Farm on Open Farm Sunday.

It's a fantastic opportunity for young and old to discover, at

first-hand, what it means to be a farmer, warts and all!

Take time to listen to the birds, soak up the magnificent scenery, experience the smells of the farmyard, get close up to the cows, calves and pigs, visit the milking parlour and really get in touch with the land that feeds us.

See for yourself the tractors, machinery and equipment that we use on the farm.

So come and feed your senses at our own working family farm, just 400 yards from Hanley Farm Shop, on Open Farm Sunday 8th June, 10am - 4pm. Regular farm tours throughout the day.

Good idea to bring your wellies!

Entry is free.
