We are delighted to announce that our landshare scheme is now full and the fruit and veg from the growers on the land located just behind us will soon be available at Hanley Farm Shop. You can't get much fresher than that!

CHEPSTOW MARKET

We are now at Chepstow High Street Market on the 4th Saturday of every month with a selection of our meat, cakes and deli products.

CAFE

With planning approved we'll soon be serving hot food in our café, giving you the chance to try many of our delicious dishes. Baked potatoes will be on the menu too with a selection of delicious fillings and a special dish of the day..

IT'S A PIG'S LIFE

See our pedigree Welsh piglets at our Open Farm Sunday event on Sunday 8th June 10am-4pm. Our own working family farm, Severndale, is just 400 yards from Hanley Farm Shop. Entry is free. Bring wellies!

MAKING SILAGE (pickled grass!)

With lots of lovely nutritious green grass our milking cows love being out in the fields at this time of year. At the farm we are constantly building up a bank of food to

see us through the Winter months when we move the cows indoors.

To make the Winter food, which is called silage, we cut fresh grass, clover and lucerne, wilt it to reduce the moisture and then ensile it under plastic to exclude any air and preserve it for winter feeding..

If you ever have any questions about life on the farm we'd love to hear from you.

Kind regards,

Lyndon & Maria

PROUD TO BE GREEN!

With the valued assistance of our neighbours at Forest Eco we installed solar panels on our roof from day one.

Light from the sun provides electrical energy to power our lighting, hot water and keep our refrigerators cool.

We will shortly be installing an electric car charging point. More details to follow.
