## NEWS FROM THE FARM

### OPEN FARM SUNDAY A GREAT SUCCESS

On a sunny Sunday in June our farm opened its gates to the public as part of Open Farm Sunday, a National project that has seen hundreds of farmers across the UK opening up their farm for one Sunday each year since 2006.

Open Farm Sunday is a fantastic opportunity for everyone, young and old, to discover at first-hand what it means to be a farmer.

### GUIDED TOURS

Regular guided tours throughout the day gave our visitors the opportunity to see behind the scenes of a working farm - meet the pedigree Welsh piglets, see the cows, calves, ponies and the

machinery that we use, identify some of the wildlife in the hedgerows and take time to listen to the birds.

For many it was simply an opportunity to soak up the scenery, experience the smells of the farmyard, get in touch with the land that feeds us and see where food actually comes from.

### OVER 400 VISITORS

We were absolutely astounded by over 400 visitors on the day; it did

catch us a little bit by surprise we have to admit but thank you to everyone who came along and enjoyed the experience of a sunny Sunday on the farm.

Kind regards,

Lyndon & Maria
