LATEST NEWS FROM OUR AWARD WINNING TEAM

FOUR IN A ROW!

Thank you to our customers, suppliers, our team, family and friends who braved the weather to join us for a slice of Birthday cake on our First Birthday Celebration at Hanley Farm Shop in August.

We were delighted to be able to share some fantastic Moos with our guests: Our own organic cave-aged cheddar has won three gold medals at the recent International Cheese Competition and we've achieved two very prestigious Great Taste awards for our Beef & Red Wine Pie and our Lasagne.

And just when we were about to announce that we had won three awards

Another well attended Hedgerow Safari . The highlight of the morning was finding 2 bank voles in a humane trap that Sam had left the night before. These were released back into the hedgerow once the children had seen them.

within our first year we heard that our farm has won the Wye Valley AONB (Area of Outstanding Natural Beauty) Farming Award Trophy which we were awarded at Monmouthshire Show. It's now proudly on display in the Farm Shop.

The farm is currently more like a building site while we erect our new building ready to house the dairy cows and calves for winter. We'll keep you updated as the work progresses.

We very much appreciate

If you have any old family recipes using chicken, beef, lamb or just vegetables we'd love to see them and maybe try them out. Please drop in with a copy or email to recipes@hanleyfarmshop.co.uk

your valued support during our first year at Hanley Farm Shop. Here's to the next 12 months!

Kind regards,

Lyndon, Maria & our award winning team

HANLEY FARM SHOP
Local food you can trust

We've been very busy combining on the farm. After cutting the barley we store it and feed it to our dairy cows and calves during the winter months
