THE FLAVOURS OF CHRISTMAS

Savour the flavours and atmosphere of a really traditional Christmas Market.

We're holding two here at Hanley Farm Shop this year with lots of stalls selling an Aladdin's cave of crafts, gifts, local produce. It will be a great opportunity to meet local crafts people, growers and specialist food producers and pick up some unusual and unique Christmas gifts and treats.

Saturday 29th November and Saturday 13th December, 10am-4pm.

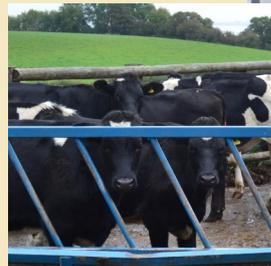

COW SHED UPDATE

We've mentioned before in a previous issue of Hanley Moos about our milking herd of cows living in luxurious accommodation on the farm, with the most amazing view towards the Severn Estuary. The building work to extend the cow shed is now well under way

TOO MANY COOKS!?

We're delighted to welcome Sylvia Hook to the team. Sylvia joins our Chef, Michael Johns, in our busy kitchen, preparing delicious freshly made dishes for our Café and shop.

with the new floor being laid just a few days ago.

Although calves are born 365 days a year on the farm, we're particularly busy at this time of year and our new arrivals enjoy the comfort of their own private accommodation in individual state-of-art 'calf pods'.

We very much welcome visitors to come and have a look. Adults and children alike will find it all absolutely fascinating, especially if you come at milking time. Please enquire at the shop in order to arrange your visit in advance.

CHRISTMAS TREES

There's nothing like a real Christmas tree so come and choose your own freshly cut tree ready to take home and decorate. Available from 28th November.

Kind regards,

Lyndon, Maria, Harriet & our award winning team
