We'd love to see you so please put the date in your diary.

COWS TURNED OUT TO GRAZE

As much as they love living in the shelter of their luxury Cow Hotel during the winter months our milking herd much prefer the great outdoors, so now that spring has arrived they're more than happy to be back on a self-catering basis, back in the lush meadows, grazing and playing.

PLOUGH THE FIELDS AND SCATTER.....

With the clocks going forward isn't it lovely to have it lighter for longer in the evenings and on the farm we've been taking full advantage by ploughing, rolling, drilling and planting. We'll be sowing barley, grass and peas up until the middle of April.

CHEQUE PRESENTATION

Our donation of £200 to Friends of Tidenham Church will be put to good use and to the benefit of the local community. Thank you to everyone for your support.

COWS PREFER SELF CATERING!

Make sure that you get your copy first by signing up to 'More Moos' on our website.

Kind regards,
