ALL ABOARD OUR TRACTOR & TRAILER RIDE ON OPEN FARM SUNDAY

OPEN FARM SUNDAY

You're invited to join us at our farm on Open Farm Sunday 7th June.

It's a fantastic opportunity for young and old to discover, at first-hand, what it means to be a farmer, warts and all!

Take time to listen to the birds, soak up the magnificent scenery, experience the sights and sounds of the farmyard, get close up to the cows, calves and pigs, see the cows being milked in the milking parlour and really get in touch with the land that feeds us.

See for yourself the tractors, machinery and equipment that we use on the farm today as well as a display of vintage farm machinery from years gone by.

So come and feed your

Farm tours and tractor & trailer rides throughout the day.

Good idea to bring your wellies! Just in case!

Entry is free.

PROPOSED COMMUNITY WIND TURBINE

After three years work on the project we're delighted that our Community Wind Turbine proposal has been submitted to the Forest of Dean District Council Planning Department.

The community scale turbine will be located on the farm and, with your support, will generate at least half a million pounds in

revenue that will be invested directly into the local community. If consented, local people will also have an opportunity to invest directly in this project.

You can show your support for the project on the Hanley Farm Shop website.

Kind regards,

Lyndon, Maria, Harriet

EASTER EGG HUNT WINNERS

Emelie & Isabel Revens, Aimee Guest and V Kneath all spotted 24 of the 25 coloured eggs hidden in the shop. We put all of the names in a hat and drew sisters Emelie and Isabel Revens as the winners of our chocolate hamper.
