The perfect place to find those unusual and unique Christmas gifts and decorations, freshly cut Christmas trees and holly wreaths.

Readings by local children's author, Rachel Austin, who will also be signing copies of her latest book on both days.

SAUSAGE COMPETITION WINNERS!

Two joint winners - Gluten Free Sundried Tomato & Shallot by Skip Farley and Sage & Onion by Alan Kitto. Close runner up - Apricot & PiriPiri by Mr & Mrs Keith Harrison (pictured above). The winning flavours are now available to buy.

PERSONALISED HANLEY HAMPERS

Hampers are always well received gifts especially when they are chosen personally with the recipient's tastes in mind. You choose the contents and we'll make it into an eye-catching hamper for you.

NEW CHEESES

Our milking herd produce over 1.5 million litres of milk per year; that's around 20 litres from each cow per day!

It takes a whole 10 litres of milk to make 1kg of our own award-winning traditional cave-aged cheddar which is now joined by two new varieties: cracked black pepper and caramelized onion.

BEDS CHANGED DAILY!

When we bring our milking herd in for the winter months, with bedding changed daily, it's like being pampered in a luxury hotel. But now with a brand new machine to assist him change the bedding twice a day Wayne is seriously considering gym membership because he's just not getting the exercise that he used to when doing the job manually with his old brush!

Kind regards,
Lyndon, Maria, Harriet & our award winning team
