OPEN FARM SUNDAY JUNE 5TH, 10AM - 4PM

We're throwing open the farm gates to the public again and you're invited to come along and take a look behind the scenes of a working organic farm for yourself on Sunday 5th June.

It's a unique opportunity for young and old alike to discover, at first-hand, what it's like to be a farmer and see where your food actually comes from.

Soak up our magnificent surroundings overlooking the banks of the Severn estuary, experience the sights and sounds of the farmyard and get close up to the animals. You'll and even be able to watch the cows being milked in the milking parlour.

See tractors, machinery and equipment that we use on the farm today as well as displays of vintage farm machinery from years gone by.

Our own 1965 Massey Ferguson tractor, has worked on a nearby farm for every day of its life and came to us in semi-retirement this time last year.

Named 'Muddy' by Ella Newland at our last Open Farm Sunday he's now been lovingly restored and will be the proud star of the show this year.

So come and feed your senses on our own working family farm, just 400 yards from Hanley Farm Shop, on Open Farm Sunday 5th June, 10am - 4pm.

Farm tours and tractor & trailer rides taking place throughout the day.

Why not bring your own picnic and a good idea to bring your wellies! too Just in case!

Follow the signs to the Open Farm Sunday car park. Entry is free.

Kind regards,
Lyndon, Maria, Harriet
& our award winning team
