HANLEY HAMPERS

Select one of our ever-popular themed hampers or choose your own contents and we'll make them up into an eye-catching hamper for you. Please ask a member of our team for assistance.

ON THE FARM

The 'Three Little Berkshire Piglets' that you would

have seen at our Open Farm Sunday are no longer so little and very much enjoying the cooler weather.

We're currently making the final grass cut of the year and this will ensure that we have enough to feed the animals through the winter months.

Kind regards,

Lyndon, Maria, Harriet & our award winning team
