MEET OUR SUPPLIERS

We're very aware that people really do want to know where their food comes from these days so we've installed a hand painted map to pinpoint

the locality of your food. It's painted by local artist Rachel Shilston whose studio is right on the doorstep here at Hanley Farm Shop. If you'd ever like to find out more about where your food comes from then please don't hesitate to ask a member of our team.

WHAT'S NEW?

We're always looking for suggestions of things to add to our range. The latest names to arrive are Stowells Wines, Frobisher Juices and the Lovely handcrafted soft drinks.

MOTHER'S DAY

Why not treat Mum on Mother's Day? A medium size hot drink,

sandwich and slice of homemade cake for only £7.99. Upgrade to a glass of Prosecco for an extra £1.50. If you're planning to cook at home we've got everything you'll need all under one roof, including lots of foodie treats!

Kind regards,

Lyndon, Maria, Harriet & our award winning team
