**WINTER FEED**  
We're constantly building up a bank of food to see our cows through the winter months. It's called silage and to make it we cut lush green grass, clover and lucerne, wilt it to reduce the moisture and then ensile it under plastic to exclude any air and preserve it for winter feeding. It's a kind of pickled grass and the cows love it!

**NEW GOLF DRIVING RANGE**  
Delighted to announce that the new Liam Bond Golf Academy is well under way will be opening imminently. Run by local Chepstow Golf Professional, Liam Bond, the facilities will

include a driving range, an indoor golf simulator room and, of course, lessons from the man himself. Keep an eye on our Facebook page for more details of opening date.

**OPEN FARM SUNDAY**  
Sunday 11<sup>th</sup> June, 10am-4pm.

See where your food actually comes from, experience the sights and sounds of the farmyard, get close up to the animals and watch the cows being milked in the milking parlor. Farm tours, tractor & trailer rides throughout the day, lots of vintage farm machinery displays and the huge modern machines that we use today.

Lots of activities to keep children busy all day.

Hot food and a bar available or bring your own picnic. A good idea to bring your wellies too! Just in case!

Follow the signs to the Open Farm Sunday car park at the farm. Entry is free.

We're all looking forward to seeing you.

Kind regards,

Lyndon, Maria, Harriet & our award winning team
