HUNGRY FOR YOUR THOUGHTS

Thank you for all of the feedback received via our customer comments cards 'Hungry for your Thoughts'.

If you haven't already done so please do fill one in and you could win lunch for two on us.

The winner of our August draw for lunch for two is Charlie Guest of Lydney.

BIG SURPRISE

When we bought a brand-new Massey Ferguson 2640 in 1979 it was the Rolls Royce of tractors. It even had air conditioning in the cab!

Farm worker, Lawrence Dougan, has driven the tractor on the farm from new for 38 years so when he went away to celebrate his 70th birthday recently it was all hands on deck and the race was on to restore it back to it's former glory before he returned to work.

He was so surprised to find us all waiting for him when he got back and was absolutely delighted with his newly refurbished tractor.

NEW FARM TEAM MEMBER

A very big welcome to the latest member to join our farm team, Will Farrant, who will be rearing our new-born calves. They already seem to have taken a great liking to him.

GETTING BACK ON TRACK

The unpredictable weather has delayed us getting on with the jobs that we do on the farm this time of year. We've now managed to complete the third cutting of our silage for winter feeding of our milking herd but it took us over a week to do instead of the usual three days.

THANK YOU FOR YOUR SUPPORT

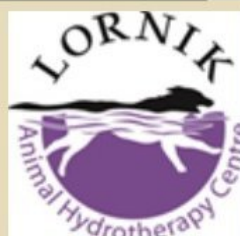

Another local worthy cause has benefited from your kind generosity. From the £1,000 funds raised at our Open Farm Sunday event in June we've donated £250 on your behalf to Sedbury Space towards the renovation of a building that will be used for the benefit of the local community.

Kind regards,

Lyndon, Maria, Harriet & our award winning team
