## SPRING IS IN THE AIR!

### SEED DRILLING

With Spring well and truly in the air, and the days drawing out, it's all hands to the deck on the farm for seed sowing (farmers call it drilling) and we're currently planting barley, oats and peas which we're hoping to harvest in August, all being well.

### DANCING COW DAY

This is the third year that we've made an open invitation to join us for Dancing Cow Day. It's the dairy farmers' favourite day of the year - the day that we let the milking herd back into the fields after spending the winter indoors. The first to arrive will be able to jump aboard our farm people carrier and view the whole thing from the heart of the action. We're very dependent on the weather so all we

can say at this moment in time that it will be happening on a Saturday in late March.

Keep an eye on our Facebook page for details or sign up for our Hanley Moos newsletter on our website and we'll send you an email to let you know. Our next major farm event for your diary is Open Farm Sunday on 10th June.

### MOTHER'S DAY SUNDAY 11<sup>th</sup> MARCH

How about bringing Mum for lunch morning coffee and cake or afternoon tea in our Café. If you're planning to cook lunch at home we've got everything you'll need all under one roof....great offers on meat in our Butchery and lots of special foodie treats too!

### CHEQUE FOR SCOUTS

Although our Open Farm Sunday events are always free to attend our visitors are very generous in their voluntary donations which has enabled us to support several local worthy causes like the Woolston Scout Group who are hoping to buy a mini-bus that will enable them to get kids out and about and exploring later this year.

Thank you, as always, for your valued support.

Kind regards,

Lyndon, Maria, Harriet & our award winning team
