

HANLEY MOOS

IT'S ALL HAPPENING ON THE FARM!

NEW MACHINERY
We've got some brand new toys on the farm. A monster size John Deere 6215R tractor, forage wagon, mowers and a grass teader. This latest investment will enable us to bring our silage operation in house and give us more flexibility as to when we do it. More info about silage below under Winter Feed.

OPEN FARM SUNDAY
Sunday 10th June, 10am-4pm.
Thousands came along last year and you're invited to join us for this our fourth Open Farm Sunday.

See where your food actually comes from, experience the sights and sounds of the

farmyard, get close up to the animals and watch the cows being milked in the milking parlor.

Tractor & trailer rides throughout the day, lots of vintage farm machinery displays and the huge modern machines that we use today. Lots of activities to keep children busy all day.

Hot food and a bar available or bring your own picnic. A good idea to bring your wellies too! Just in case!

Follow the signs to the Open Farm Sunday car park at the farm.

Entry and parking is free and everyone is welcome

WINTER FEED
We're constantly building up a bank of food to see our cows through the winter months. It's called silage.

We cut fresh green grass, clover and lucerne, wilt it to reduce the moisture then wrap it in plastic to exclude any air and preserve it for winter feeding. The cows love it!

You'll see rolls of it stored on the farm when you visit.

Kind regards,

Lyndon, Maria, Harriet & our award winning team

MEET THE TEAM

Joanna Cowell has been working with us in our Café and Farm Shop for over two years. She moved to the area when her family relocated from Canterbury. She's a keen runner and will soon be taking part in The Severn Bridge half marathon, her first time ever. She tells us that "I love all of the food that we make here in our kitchen but my firm favourite is our beef and stilton pasties."

Winners of our latest monthly lunch for two draw are Charles & Jenny Unsworth from Woolston.
