

# HANLEY MOSES

## THOUSANDS VISIT OUR OPEN FARM SUNDAY

Thank you to everyone who came along to our fifth Open Farm Sunday event on 10<sup>th</sup> June.

It was all part of the National project 'Open Farm Sunday' to show people exactly where their food comes from and farms like ours all over the UK threw open the gates to allow the many thousands of visitors to wander freely around a proper working organic family farm.

Our visitor numbers have grown significantly every year and it really was a fantastic opportunity for everyone, young and old, to discover at first-hand what it means to be a farmer in this day and age and see how their food gets directly 'from farm to fork'."

In addition to giving visitors the opportunity to go behind the scenes, meet the animals and even watch the cows being milked in the milking parlour, we put on tractor & trailer rides, vintage tractor and horse drawn ploughing demonstrations, tug of war competitions and displays of modern tractors, machinery and equipment alongside vintage machinery from years gone by.

Our grateful thanks to all of our team for their support and the numerous volunteers who worked tirelessly to make the day such a success.

We were delighted with the turnout and enjoyed answering all of your questions.

Pictures that we took on the day can be viewed on our website and on our Facebook page where you are more than welcome to add your own.

We're already planning for our next Open Farm Sunday on Sunday 9<sup>th</sup> June 2019.

Kind regards,

Lyndon, Maria, Harriet & our award winning team

### MEET THE TEAM

Louise Saunders from Lydney runs our Deli and really does know her cheese, so to speak. "My favourite cheese is Perl Las (Welsh for Blue Pearl) which is a lovely creamy blue cheese from Carmarthen. Foodwise, I'm also a great fan of our own home made burgers and our Pipers potato crisps". Louise tells us that her hobbies are shopping for clothes and walking the dog in the Forest of Dean.

Winner of our latest monthly lunch for two draw is Mandy Tranter from Bream
