## SHARING FARM IDEAS ACROSS THE ATLANTIC

### VISITING USA FARMS

"We're passionate about the health and well-being of our animals.

We use only natural organic remedies to keep them in tip-top condition and to treat them whenever they're feeling under the weather so, as Deputy Chairman of the Organic Milk Suppliers Co-operative, I was delighted to be asked to attend the International Organic Veterinary Conference in Wisconsin USA in September on their behalf." Said Lyndon Edwards.

"As part of the fact-finding trip, after the conference I flew 2,200 miles to Portland, Oregon where I continued down the west coast through San Francisco to visit 10 American organic farms. A lot of what they're doing on their farms we're already doing here but I still picked up lots of great ideas. They were all very interested to hear about Hanley Farm, especially how we manage our

drinking water system and plan our crop rotation.

Now that I'm back in the UK my next task is to share my findings with my fellow 250 Organic Milk Suppliers Co-operative farmers all over the UK."

### MEET THE CALVES

We're flat out on the farm with over 80 calves born in the last 2 months. A couple of our latest new-borns pictured above.

### CHRISTMAS MARKETS

The perfect place to find those unique and unusual gifts.

We'll be telling you more in our November Moos and on Facebook but make a note in your diary of the dates of our indoor Christmas Market weekend so you don't miss it:

Saturday 1st and Sunday 2nd December, 10am-4pm.

### HALLOWEEN

Pumpkins are growing well in the field and will be on sale in plenty of time for hollowing out and carving for the big day. We always have a bit of fun for Halloween.

The team will all be dressing up and you're welcome to as well. Look out for some spooky food on the Café menu!

### MACMILLAN FUNDS

Thank you to everyone who came along to support us at our Macmillan coffee morning. Our amazing cake table raised a substantial £163!

Kind regards,

Lyndon, Maria, Harriet & our award winning team

### MEET THE TEAM

Emily George has recently joined our team and brings with her a useful wealth of knowledge of the food industry, including charcutier and butchery.

A true lover of the country life, Emily often helps out her game keeper dad to organise shoots and other game events. They've currently got over 7,000 pheasants!

Emily tells us that her favourite treat is our individual Malteser cakes which come from Wigmore Bakery in Monmouth.

Winner of our latest monthly lunch for two draw is Rose Forster of Lydney.
