## WHAT A YEAR THAT WAS!

In **JANUARY 2018** we heard the exciting news that the planning application for our much-needed Café extension had been approved

On the farm in **FEBRUARY** crop rotations are agreed for the year ahead and in **MARCH** it's all hands to the deck on the farm for seed sowing.

Much later than we'd hoped, we let the milking herd back into the fields In **APRIL** and in addition to our farm visitors on the day over 170,000 people, all over the world, have viewed the video that the BBC posted on their website.

In **MAY** we made Super-fast Broadband available wirelessly to every local business and home in the surrounding area.

Thousands came to join us again for this our fourth Open Farm Sunday in **JUNE**. We're already planning for the next one!

The Café extension got under way on 8th **JULY**.

In **AUGUST** Lyndon was recognised for his outstanding contribution to the dairy industry when he was presented with the prestigious Dairy UK award by noted journalist Andrew Neil.

In **SEPTEMBER**, in his role of Deputy Chairman of the Organic Milk Suppliers Co-operative, Lyndon attended the International Organic Veterinary Conference in Wisconsin USA and visited numerous American Organic milk farmers in Oregon and California on their behalf in order to share ideas.

At the start of **OCTOBER** we were flat out on the farm with over 80 calves born in the previous 2 months and by **NOVEMBER** the milking herd were all back inside in their warm and dry luxury 'cow hotel' accommodation with

envious views.

Congratulations to Thomas and Sian on the arrival of the latest addition to the Edwards family on Thursday 22nd **NOVEMBER**, Hugo George Edwards.

Our annual Christmas markets in **DECEMBER** were a great success and over 40 local stall holders in our heated marquee attracted thousands of visitors.

The new Café extension opened on Saturday 1st **DECEMBER**!

We're looking forward to welcoming you in 2019.

Kind regards,  
Lyndon, Maria, Harriet & our award winning team

### MEET THE TEAM

From an early age Harriet Edwards knew that she would be playing an active part in the family farm which is why she chose to study business management. Little did she know how valuable those qualifications would be to her in her position of manager of Hanley Farm Shop. "I've been involved every step of the way from its conception, through planning, renovation, opening, growth and latest Café expansion."

Harriet likes keeping fit by walking Monty the dog who loves to go absolutely everywhere with her, except to work of course.

Winner of our latest monthly lunch for two draw is Sarah Keys of Aylburton

### BEST CHEESE IN THE WORLD!

Our own Kingdon Organic Mature Cheddar cheese has won the prestigious title of 'best cheese' at the recent World Cheese Awards in Norway.

Taste it for yourself at our Deli counter. £1.50 per 100g

### PASSIONATE PLOTTER

Martin Jordan, a new grower on our land share scheme in the farm fields just behind us, has been named by the Kitchen Garden magazine at the UK's most passionate plotter. Judges said that Martin's plots were bursting with top quality fruit and vegetables. Well done Martin!

### GOING THE EXTRA MILE!

Our local tourism association, of which we are proud members, forecast that the removal of the Severn Bridge toll will attract numerous new visitors to the area, so we were delighted to be included in the new 'Extra Mile' book which features alternatives to motorway service stations.

### OUR OWN TV STAR!

Congratulations to Rachel Shilston, who runs her Inspiring Creativity Workshop from our Hanley Business Centre. She was selected from hundreds to appear on national TV in December as a finalist on the popular craft show Kirstie's Handmade Christmas, presented on Channel 4 by craft-lover Kirstie Allsop.
