

HANLEY MOOS

WELCOME TO OUR NEW VISITORS!

ON THE FARM

We're already regarded as being well ahead of the game in organic farming but we're constantly looking to improve to eventually become totally self-sufficient and carbon neutral.

We've been trialing a new feed for our milking herd. Adding fodder beet (also known as sugar beet) to their usual mix of silage, hay, barley, etc, and the girls are absolutely loving it.

A well-planned crop rotation is vitally important to ensure healthy and nutritional soil and following its trialing success we'll be adding fodder beet to the rotation for the 2019 cropping year, along with peas, barley, kale and grass.

DANCING COWS

We love the day when we let our milking herd back into the fields after spending the winter indoors. They dance, skip and jump in the air and

we'd like to invite you to come and share the moment with us on the farm.

It will be happening anytime soon so if you'd like us to keep you informed please sign up to our moosletter on our website and we'll give you a few days' advance notice.

TOLL-FREE BRIDGES

With the toll to cross the Severn bridges now being free we've noticed a significant influx of visitors from across the water, which is a great boost for the local economy.

Thank goodness we extended the café in time!

CAFÉ EXTENTION

Thank you for your feedback about our cosy new café extension with woodburning stove, comfy sofas and armchairs. From the comments on our customer feedback cards it sounds like you love it as much as we do. We read each and every

completed card that we receive, and we've put into operation a number of the constructive improvements that our visitors have suggested. Whether it's a pat on the back or an idea about how we could be doing something better, please fill in a card and you could win a lunch for two in our monthly draw.

FLOWERS

A gentle nudge about some key dates coming up, like Valentine's Day on Thursday 14th February and Mother's Day on Sunday 31st March. With our own on-site florist we've got lots of flowers to choose from a single rose to a beautiful hand-tied bouquet.

Kind regards,
Lyndon, Maria, Harriet & our award winning team

MEET THE TEAM

Fran Moorlen joined our award-winning team last year and has trained in all areas of our café, deli, butchery and farm shop.

She's particularly interested in learning more about diet and healthy living, so she's working in the perfect place, and has her aims on becoming a dietician.

Having lived in Spain from the age of 3, Fran speaks fluent Spanish which we're yet to put to the test.

Hobbies include practicing yoga and walking her Staffordshire bull terrier, Roxy, in the Forest.

She tells us that her favourite food at Hanley Farm Shop is our smoked salmon from the local Wye Valley Smokery.

Winner of our latest monthly lunch for two draw is Carole Thompson of Newport

GIN TASTING EVENING!

With Chase Distillery. **Wednesday 3rd April 6pm** Enjoy a G&T on arrival followed by tasting of five Chase Distillery spirits. Lasting for about an hour with the opportunity to buy spirits afterwards. £20 per person including cheese and nibbles. Places are very limited so please book in advance: harriet@hanleyfarmshop.co.uk
