## THANK YOU FOR YOUR FEEDBACK!

### ON THE FARM

Next time you mow the lawn at home think of us on the farm.

Preparing the winter feed (silage we farmers call it) for the milking herd is just like mowing the lawn for us but on a huge military scale!

Cutting, wilting, collecting the grass and clover and storing it away for when the girls come indoors for the winter.

It's all hands to the deck and it takes a fleet of farm machinery to do it, from our 20 year old John Deere 7810 tractor to our latest brand new JCB loader.

See all of these machines and many more at Open Farm Sunday on 9th June, 10am - 4pm.

### CAFÉ UPDATE

We're delighted with the customer feedback we've received about our new café extension.

The comfy sofas and armchairs, the cosy woodburning stove and the fact that dogs (with well-behaved owners) are

now welcome all seem to have been well received. Thanks to your valued support we've had to take on even more team members which all goes to helping to boost the local economy.

### LITTLE FARMERS CAFÉ MENU

We know that not everyone wants a full portion, so for kids and those with smaller appetites you'll find a selection of reduced size options of some of our more popular menu items.

### FATHER'S DAY

With Father's Day coming up on Sunday 16th June we'd like to introduce you to a couple of the local breweries who supply us: Award-winning **Kingstone Brewery**, a micro brewery in Tintern. Their real ales are adapted from traditional recipes to suit modern palates. From hearty IPAs to quaffable bitters.

**Baa Brewing** in Chepstow

use only the finest quality, freshest ingredients to create our premium craft beers. They mill their own malt on site on the day of brewing and use double filtered water from the Welsh hills.

Why not buy a bottle for Dad or ask us to add it to one of our hand-wrapped foodie hampers.

### BARBEQUES

Planning a BBQ? Let our butchery team do all the hard work for you. Give us a call to talk it through, place your order and collect all of your meat, sausages and burgers in one trip. We even sell locally made charcoal.

Kind regards,  
Lyndon, Maria, Harriet & our award winning team

### MEET THE TEAM

Rob Keen is the latest addition to our butchery team.

He's got years of local butchery experience under his belt and we're delighted that he's brought his skills to us.

"I particularly like making our flavoured sausages." Said Rob. "I've just introduced a new sweet chilli sausage which is absolutely amazing."

He says that his hobby is darts but we think he's a lot better than he lets on as he plays regularly for a local pub team!

Rob's favourite food in the farm shop is our own minted lamb steaks.

Winner of our latest monthly lunch for two draw is **Andrew Morgan** of Viney Hill

### OPEN FARM SUNDAY 9th JUNE 10am - 4pm
