

HANLEY MOOS

THANK YOU FOR HELPING US GROW!

MEET THE TEAM
Edwin Taylor is one of our butchery team so he's one of first happy smiling faces you'll be greeted by when you visit us.

He joined us shortly after we opened and there's nothing that he doesn't know about meat and how to prepare and cook it to perfection.

He's also our font of local knowledge and knows everything there is to know about the weather and any roadworks within a 15 mile radius!

"I love to provide our customers with the friendly and personal service that they expect to receive at their local butcher's shop"

Winner of our latest monthly lunch for two draw is Christelle Dumond from Tutshill.

ON THE FARM

We're always striving to build up stocks of food for the herd so we can keep them fit, healthy and well fed throughout the winter months.

With that in mind we're currently planting fields of kale for our beef cattle to graze on at a later date. It's highly nutritious and the cattle love it.

LOCAL EMPLOYMENT

As we enter our 7th year we've been looking back to when we first opened the doors to Hanley Farm Shop in 2013 with just 6 team members. We've grown quite a bit since then and now offer employment for 29 local people and we're recruiting again.

We've been taking all of the team and their families on farm tours recently so they can fully understand for themselves exactly where their food comes from and talk knowledgably to our customers about it too.

BOOST TO LOCAL ECONOMY

We always said from the start that we wanted to

make a difference to the local economy by employing local people, selling produce from local suppliers and growers that we know and trust and even giving small businesses the chance to get on their feet and grow for themselves in our adjoining business centre. We also attract visitors from far and wide who no doubt go on to visit nearby towns and attractions.

YOUR FEEDBACK

We're passionate about what we do and we're constantly looking for ways to improve on what we sell, our attention to detail and our customer service.

Shortly after we opened, we introduced our 'Hungry For Your Thoughts' feedback cards on which we ask our visitors to let us have their thoughts. We take each and every one very seriously indeed; whether it be a pat on the back for something that we've done particularly well or constructive criticism about something we could improve on.

MAGAZINE FEATURE

We were delighted to be invited by the Monmouthshire, Brecon and Forest of Dean Living Magazine to feature Hanley Farm Shop in a double page spread in the September issue.

Complimentary copies are available here while stocks last.

Kind regards,
Lyndon, Maria, Harriet & our award winning team
