GIFT VOUCHERS

Hanley Farm Shop gift vouchers are always well received and they can be used for any purchase in the shop or café. Available at the till.

TASTY RECIPES COMING SOON!

As always, the ingredients for all of the dishes that we serve in our café are available in the shop so if there's something that you particularly like you can have a go at creating it for yourself at home.

With that in mind we're going to put together a monthly recipe for you to try and this will be available from the new year in the shop, on social media or to download from our website. We'd appreciate your thoughts.

Kind regards,
Lyndon, Maria, Harriet & our award winning team

MEET THE TEAM

31 year old Thomas Edwards is responsible for the day-to-day running of the farm and became a director of the family business 7 years ago.

Involved with the farm from a toddler, his son Hugo (pictured left), who celebrates his first birthday at the end of November, already looks like he's going to follow in dad's footsteps.

It was Thomas who first opened the farm gates to the public on Open Farm Sunday 5 years ago which has enabled many thousands of local families to come along to find out more about where their food actually comes from. Thomas's favourite food is anything to do with breakfast!

Winner of our latest monthly lunch for two draw is Maureen Turner from Woolaston
