MEET THE TEAM

Recently appointed company director, 28 year old Harriet Edwards is passionate about supporting local suppliers, producers and makers.

Harriet organises Christmas Markets and Spring Fayres to give them an outlet to display and sell their wares and has virtually hand-picked every item sold in the farm shop ever since it opened.

"I love being part on the family business - I've been involved every step of the way from conception, through planning, renovation, opening, growth and the latest Café expansion." She said. "I'm absolutely delighted."

Harriet says that she likes keeping fit by walking Monty her dog who loves to go absolutely everywhere with her, except to work of course.
