## SAUSAGE MAKING CLASS COME AND LEARN WITH BEN

**ON THE FARM - DANCING COW DAY**  
Due to the wet weather conditions last year we were forced to keep our milking herd indoors for longer than usual, so our favourite day of the year was delayed. This year, we're hoping to let the girls out and back into the fields in February (fingers crossed). They are so excited to get back to the fresh lush and highly nutritious grass that they literally dance, skip and jump in the air. Come along and share with us this amazing experience. It can happen at quite short notice so please sign up to our Moosletter, Hanley Moos, on our website and we'll let you know at least a few days in advance.

**SAUSAGE MAKING CLASS**  
Join Ben the butcher for our first ever sausage making class. Wednesday 19th February, 6pm - 8pm.

It will be a small group (maximum 6 people) so you'll get personal hands-on tuition. Only £25 per person and you'll take home a kilo of your own flavoured sausages. To book, please call Ben the butcher on 01291 626642 (option 2)

**LOOK OUT BOYS!**  
Did you know that in a leap year it's an age-old tradition that women can propose to men on Valentine's Day? With Valentine's Day coming up on Friday 14th February and Mother's Day on Sunday 22nd March it's a busy time of year for our on-site florist, Catherine Gray whose floristry and gift shop is located at the front of our business centre or give her a call on 01291 639172 to place an order. Catherine's shop is open Tuesday to Friday 10am - 4pm and Saturday mornings 10am - 1pm

**KITCHEN EXPANSION**  
We've recently extended our kitchens to cope with the increase in visitor number, so thank you for bearing with us during the building work and apologies for any inconvenience caused.

**SOMETHING NEW TO TRY! - PORK PARCEL**  
The latest creation by our butchery team makes a great little roast for any day of the week. Pork tenderloin stuffed with sage and onion stuffing and our own award-winning Kingdom Cheddar cheese, wrapped in streaky bacon. Only £10.50 per kg.

Kind regards,  
Lyndon, Maria, Harriet & our award winning team

Ellie Rees has been working with us since we opened and has returned to help out following studying for a degree at Plymouth University and a gap year travelling the world. "My most memorable experience of the trip was swimming with elephants in Thailand."

"I like to keep fit by going to the gym regularly and weight training."

Ellie tells us that her hobbies include walking her black Labrador dog and horse riding when she gets the time."

"I'm a keen cook but I also love eating out. My favourite dish by far is the classic ham, egg and chips that we serve in our café."

Everything is still hand baked using no added preservatives, and above all, only the finest natural ingredients.

**DAIRY FRESH**  
Mead Farm Foods is located in Redwick near Caldicott. Their family owned and run dairy pasteurises and bottles fresh milk and double cream as well as making butter from the milk produced on the farm. We're delighted to sell their milk here in the farm shop.
