

HANLEY MOOS

STEPPING BACK IN TIME WITH BROWN PAPER PACKAGING

ON THE FARM

We consider ourselves very lucky not to have had to endure some of the awful flooding that other parts of the country have suffered.

However, the recent wet and windy weather conditions are having a serious impact on farms across the country, including ourselves.

The land is so wet that our milking herd, who would normally be back out in the fields enjoying nutritious fresh grass by now, are being kept in the height of luxury in warm, dry barns, chomping their way through our stocks of silage that we'd usually be starting to build up now for the winter ahead.

If anyone has a second-hand ark for sale, we could well be interested!

BE FIRST TO KNOW

As soon as we know the date that we'll be letting the girls out we'll let you know so please sign up to

our monthly Moosletter on our website and you'll be first to know.

SAUSAGE MAKING

Our first sausage making class with Ben our butcher was so popular that we had to run a second date. Great fun was had by all and everyone went home with a kilo of their own sausages.

Pictured: Emily Chambers. Following the interest shown we'll be organizing a regular class so please give us a call to put your name on the waiting list. Just call Ben on 01291 626642 (option 2).

MOTHER'S DAY SUNDAY 22nd MARCH

Morning coffee and cake, lunch or afternoon tea in our cafe make the perfect treat for mum and we've also got some thoughtfully themed Hanley hampers made up for you to choose from.

If you're cooking at home talk to our butchers to recommend a mouthwatering joint of beef or pork.

FLOWERS & GIFTS

You'll be spoilt for choice in the Catherine Gray on-site floristry and gift shop, located at the front of our business centre, just next door.

GIFT VOUCHERS

Hanley Farm gift vouchers can be used for any purchases in our cafe and shop and are available in £10 increments at our tills.

PAPER PACKAGING

We're always passionate that our packaging is environmentally friendly and following your suggestions we've introduced far stronger paper bags for fruit & veg and bread and introduced a brand new one for meat.

Kind regards,
Lyndon, Maria, Harriet & our award winning team

MEET THE TEAM

Maria Edwards has been involved with Hanley Farm Shop from its conception.

"I've always loved horses and as a child enjoyed show jumping and cross country before going on to train horses for point-to-pointing.

One of the highlights of my career was working for Gulf Air and travelling all over the world with them."

Now with both feet firmly on the ground in Tidenham Maria represents the local community as a Parish and District Councillor.

"I enjoy cooking at home when I get the time and my favourite dish on the menu here in our cafe is our bacon, brie and cranberry panini."

Winner of our latest monthly lunch for two draw is Alan Stenner of Chepstow
